

KDHS NEWSLETTER

From The Principal's Desk

By Mr Walker

Thank you everyone who came along to our Athletics Carnival last Friday. There was a big crowd in attendance, who braved a chilly morning and quite a pleasant afternoon. Having so many people there makes it a special day for the students.

To all the people who helped on the day, and those that supported in the leadup a very special thank you on behalf of the students, staff and school community. A big well done to Mrs Day for leading this team, all your work and your words on the day. See photos and more information about the carnival in this newsletter.

Another clear example of where we all at Kulin:
STRIVE with confidence,
STRIVE with respect and;
STRIVE to succeed.

PRS – Public School Review

As part of school accountability, every public school in Western Australia has to participate in a Public School Review process. The Public School Review Team spent the day in our school on Thursday 21 August. This Perth based Review Team spoke to panels of staff, school board and P&C members, and students throughout the day.

One week before the arrival of the Review Team we had to provide a written submission, including evidence of programs and planning we have in place to support our students and also our planned actions going forward.

We received very positive verbal feedback, which will be finalised as a written review in the coming weeks. The written report we receive will include commendations as well as recommendations.

KDHS NEWSLETTER

From The Principal's Desk

At the end of each review a school is informed of when their next Public School Review will be scheduled. This can occur in one, three or five years. After being offered a five-year review schedule, we decided on three years as the process was a positive time to reflect on how we are going and where to next.

We are always trying to improve!

Parent and Community Feedback

There are three surveys out at the moment for our senior students. The Year 5-10 Planning for the Future Survey, the Year 8 and 9 Certificate Courses 2026 and the Year 10 Pathway Planning for 2026. In the coming weeks we will also distribute a Parent/Carer survey to all families seeking feedback about a number of areas of schooling and school culture.

We are very appreciative of all who take the time to complete these surveys. The feedback we receive is certainly used to inform school planning and direction. It is all about providing the best environment and opportunities for our students.

The remainder of Term 3

It is full steam ahead for the rest of Term 3. There is heaps happening and lots of work to do. In the office as well as working hard to finish 2025 off in the most positive way possible we are also hard at work in planning for 2026.

Garry Walker
We Strive

A snapshot of what's coming up.....

- Science Day - Thursday 4 September
- D&T Shed - Thursday 4 September - Thursday 11 September
- STRIVE Assembly - Student Council - Monday 15 September

FACTION ATHLETICS CARNIVAL

Toasty Tuesday

Toasty Tuesday has been a hit! Students have been loving the warm ham and cheese toasties and fresh fruit before first period. A huge shoutout to our Wellness Officer, Sarah Gangell, and her awesome team of mums who whip up 10 loaves of toasties and big platters of fruit each Tuesday this term. Thanks heaps to everyone who makes Tuesday mornings so tasty! The best way to start the day!

Farewell for now, Dental Van

A big thank you to the ladies from the Corrigin Dental Van, who wrapped up their visit to our school on the 29th of August. They shared some wonderful feedback, saying our students were the most well-mannered and had the best oral hygiene of all the schools they visited! Keep brushing!!

A VERY KIND DONATION

Thank you to Jack Wilson who has very generously offered a Narrogin Sports Power gift voucher, valued at \$300 to our school. Jack won the gift voucher recently and has kindly donated it to the school to be put towards new sports equipment. Kulin District High School greatly appreciates Jack's generosity and support. Thank you, Jack.
