

## From The Principal's Desk

By Mrs Syred

I hope everyone enjoyed the extra-long weekend! I'm sure the much-needed rain made for many happy households. The break came at just the right time, especially as winter bugs have started making their way through our classrooms.

As we head into the colder months, please continue to encourage your children to practise good hygiene habits. As always, please keep them at home if they are feeling unwell. With everyone's help, we can work to minimise the spread of illness this winter.

During the Staff Development Day, we dedicated time to exploring effective strategies for further supporting student learning across all year levels. The focus was on identifying practical ways to enhance classroom practice and ensure that every student is engaged, challenged, and supported in their learning journey.

A key part of the day was spent discussing the importance of consolidating fundamental learning skills as the foundation for long-term academic success. As parents you play an important role in your child's learning journey and can make a significant impact through simple, everyday routines. Listening to children read, engaging in conversations about books or classroom topics, and practising times tables regularly all help to establish fundamental skills that are essential for academic success. These small but consistent efforts at home help build confidence, deepen understanding, and foster a positive attitude towards learning. Together we can make a big difference!

## From The Principal's Desk

### P & C Day WA

On Friday the 20th May we celebrated P & C Day WA by thanking our incredible P&C for the time and effort they put into supporting our school community. From fundraising events to helping improve school resources and creating a strong sense of connection, their contributions make a real difference.

The Term 2 General Meeting was also held and what better way to celebrate than spending their hard-earned funds. Everyone in attendance agreed to spending close to \$20 000 on additional play equipment for the K/P area, football goals and a new bed/furniture for the medical room.

We encourage all families to get involved wherever they can. Whether it's volunteering, attending meetings, or helping at events, every bit of support counts. After all, it's our students who benefit the most from a strong and active school community.

### Busy Bee Help Needed

In the coming weeks, there will be lots happening around the school, and we need your help! We're looking for a team of volunteers to assist with preparing for the installation of new play equipment and to help with a general clean-up across the school grounds.

There will be plenty of jobs for everyone, and children are welcome to come along and join in the fun. To keep our volunteers fuelled, there'll be a sausage sizzle and the coffee van will be open.

If you're able to lend a hand, please reply via the form sent out through Audiri – many hands make light work, and we'd love to see you there!

We STRIVE  
Megan Syred

## ENDEAVOUR

AT KULIN DISTRICT HIGH SCHOOL TO SHOW ENDEAVOUR WE :  
TRY OUR BEST IN ALL THAT WE DO

AT KULIN DISTRICT HIGH SCHOOL TO SHOW ENDEAVOUR MEANS I WILL:

- Work towards my personal goals
- Seek help when it is needed
- Always try to do my best with my schoolwork and my friendships
- Be persistent and never give up
- Set a good example for others

## How to report your child's absence

If your child is absent from school, please notify us by any of the following options:

# MUSICA VIVA

## Musica Viva 2025 - Water Rhythms

On Tuesday the 20th May, the Kulin students were entertained by Water Rhythms - a musical group which is part of the nation-wide Musica Viva program. The students have been learning about Water Rhythms this term while completing fun music, singing and dance activities in Mrs Noble's Performing Arts class.

Ryuji and Haruka, originally from Japan, enthusiastically played different sized Taiko drums while Bridgette performed choreographed and improvised dance routines to match the music. The students loved how interactive the performance was, and some were able to join the musicians on the stage.

Primary students have reflected on this performance by drawings pictures and writing about their experience and these will now be posted to Water Rhythms to enjoy! What a fantastic and enjoyable way to learn about different styles of music, movement and other cultures.

Mrs Janine Noble

**CAKE!**

## CAKE STALL

FUNDRAISING FOR  
HIGH SCHOOL  
COUNTRY WEEK

8.30-10.30AM  
SATURDAY 21<sup>ST</sup> JUNE 2025  
OUTSIDE KULIN FOODWORKS

DONATIONS OF BAKED GOODS  
WELCOME

ALL DONATIONS OF FOOD MUST BE LABELLED WITH INGREDIENTS AND CAN BE  
DROPPED OFF AT KULIN SCHOOL ON THE FRIDAY BEFORE

# COUNTRY WEEK

On Friday afternoons we run a Multi Age Grouping program with the high school students. During these sessions, students have been planning a cake stall fundraiser. The cake stall will raise money to go towards the High School Country Week camp in Term Three.

Students have been tasked with researching suitable recipes for selling at a cake stall, shopping for ingredients, cooking, packaging and labelling their goods.

We are looking for more donated baked goods to sell (cakes/slices/biscuits/jams etc). If you are able to help please drop off your baked goods to school on Friday 20th June. Please label with an ingredients list. All donations are greatly appreciated!

# NATIONAL SIMULTANEOUS STORYTIME

## THE TRUCK CAT

National Simultaneous Storytime (NSS) is held annually by the Australian Library and Information Association (ALIA). Every year a picture book, written and illustrated by an Australian author and illustrator, is read simultaneously in libraries, schools, pre-schools, family day cares, childcare centres, bookshops, family homes and many other places around the country. Now in its 25th successful year, it is a colourful, vibrant, fun event that aims to promote the value of reading and literacy, using an Australian children's book that explores age-appropriate themes, and addresses key learning areas of the National Curriculum for Foundation to Year 6.

PLEASE  
ORDER  
NO LATER  
THAN  
12 JUNE

**Students can pre-order a**  
**Sausage Sizzle \$5**  
**Juice Box \$2.50**

**\*Orders to front office by 12 June**

# GOLF

During Weeks 1-4 of Term Two, the Year One to Eight students participated in Golf during Sport lessons. A successful grant application provided by Sporting Schools, an Australian Government initiative, provided funding allowing Megan Henry to coach the students. Megan was recently awarded the Arthur Marshall Coaching Excellence Award for her devotion to providing quality coaching to towns in our area- Congratulations Megan! She is just fabulous and the students thoroughly enjoyed these sessions with her. We look forward to booking her again next year!

*Week 6, Term 2*

# STUDENT COUNCIL CATCH UP

## WEEK 6

its been a busy few weeks for our student councillors.

This week we are looking forward to a new idea, the suggestion box, this will allow students to express their thoughts on how to improve our school. We are keen to hear all of their great ideas!

Last Tuesday we also had the opportunity to read books with the Kindy and Pre- Primary students. This was a great way to interact with younger students and join in on the joy of reading, whilst they got to know their Student Councillors.

To add to the fun, Pink Stumps Day is coming up, so don't forget to hand in your sausage sizzle orders in by Friday week 7. By Amy and Kahlan

## STRIVE VALUES

### ENDEAVOUR

At Kulin District High School endeavor means we try our best in all that we do. Some examples are to work towards personal goals, to seek help when it is needed, and to always try our best with friendships and schoolwork

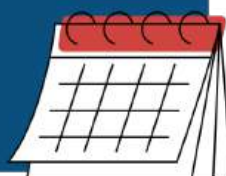

## UP COMING EVENTS

### Week 7

Wednesday - Lunch time activity  
Thursday - Sausage sizzle orders due
